Mr D Darlington
Secretary
The Entrance Community Precinct Committee
PO Box 349
The Entrance 2261

Dear Mr Darlington

The Entrance Library

Thank you for your letter of 7 May 2009 regarding the future of The Entrance Library. I am pleased that your Committee finds the services and facilities of The Entrance Library and Customer Service Centre useful to the community.

As stated in the Planning Strategy the intent of the provision of a new facility at Bateau Bay is to improve the services to the community in the whole of The Entrance Social Planning District, which encompasses both Bateau Bay and The Entrance.

Community consultation will be undertaken during the development of the new library and customer service centre and all interested parties will be encouraged to submit their proposals and concerns as part of this process.

The matters of access for the community raised in your letter will certainly be part of the planning process.

Yours faithfully

Jean McBride
Manager Library Services
