

City of Westminster Madame Tussauds

Madame Tussauds London is a major tourist attraction located in Central London, housed in the former London Planetarium. It is famous for recreating famous people and celebrities, in wax. It is the original Madame Tussauds attraction, having been situated on Marylebone Road since 1884. It was set up by wax sculptor Marie Tussaud. It is operated by Merlin Entertainments.

With 14 zones, over 300 wax figures, Spirit of London Ride and the amazing Marvel Super Heroes 4D movie experience, we combine glitz and glamour with incredible history. So, who do you want to meet?

We open at 9:30am, with last admission at 5:30pm, every day of the year. We are open from 9am to 6pm at weekends and during UK school holidays, except Christmas Day.
